
SUMMARY

L&D professional who enjoys developing learning content as much as making sure a class runs smoothly for the people in it. 2+ years writing educational content and blog guides, coordinating with instructors and freelance experts, and designing onboarding programs across creative, exhibition, and food-service settings. Comfortable turning subject matter into guides and SOPs, tracking learner feedback and completion data, and picking up AI tools like Claude and Grok to speed up content work. Detail-oriented, proactive, and community-minded.

EXPERIENCE**Mamoon Vietnam - The Creative Play | [mamoon.vn](#)**

10/2023 - 1/2025

Content & Internal Training Specialist

- Wrote educational and cultural guide content, plus how-to blog posts, based on the studio's coloring-art products, helping customers use them for learning purposes
- For a team of 3–5 part-time staff, built onboarding SOPs and job aids that standardized daily procedures and cut down reliance on informal training
- Workshop logistics (1–2 sessions a month) covered participant lists, attendance tracking, on-site product sales, and post-event reports, all managed in Google Sheets
- As the main point of contact between clients and freelance artists, clarified requirements, managed expectations, and handled payment-related documentation (amounts, bank information) to support timely processing

TOA Exhibition

6/2025 - 12/2025

Art Experience Guide

- Live sessions for groups of 5–50 visitors covered exhibition content and visitor flow in a fast-paced setting; also sold Vietnam-branded souvenir products at the front counter
- New guides picked up daily procedures and visitor service standards with support during onboarding
- A 7-day onboarding program, including learner analysis, learning objectives, and role-play assessments, was designed independently based on firsthand experience in the role. See the [case study](#).

Chau Gia Food

7/2026 - 9/2026 (2-month traineeship)

Operations Trainee

- After noticing inconsistent training across shifts, wrote SOPs and training documentation for three front-line roles (order, cashier, service); reviewed and approved by the manager for use
- Daily inventory counts across the store and central warehouse fed into daily sales and revenue reports built in Excel

MAC English + Independent

2022 - Present

English Teaching Assistant & Private Tutor

- Progress for around 20 learners per class was tracked closely, working with lead teachers to adjust instruction when needed
- Two students received individual tutoring over periods ranging from 3 months to 3 years, with lesson plans adapted to each one's level and pace
